39 Traffic Regulation Orders received from West Sussex County Council

Two Community Traffic Regulation Orders (TRO'S) had been received from WSCC, the Committee Clerk shared the requests and associated documents with the committee. The TRO's were discussed.

Cllr Pascoe had spoken with the resident at Sunnywood Drive and he explained the issues the resident was having.

Members **RESOLVED** to Support the application at 7 Sunnywood Drive to remove the double yellow lines and replace with a single white line. The committee hope this would provide clarity to parking enforcement, showing it is not an enforceable site. The addition of a single white line would ensure that the crossover area was kept clear of parked cars allowing access to the property.

Cllr Nicholson noted that Gander Hill was increasingly being used for commuter parking causing obstruction and making it dangerous for cyclists and residents to turn out of their driveways. Cllr Bashar agreed with the comments made.

Members **RESOLVED** to support the application at 18 Gander Hill.

40 Comments and Observations on Planning Applications

Members made comments and observations on 11 Planning Applications as per Appendix 1 attached.

41 Items Agreed as Urgent by the Chair

There were none.

The meeting closed at 08.03 pm.
